

CONGRESSMAN MAJOR R. OWENS

11th Congressional District

QUOTES FROM CONGRESSMAN OWENS

"Every sacrifice made for the war in Iraq is an unnecessary waste. This is the wrong war at the wrong time in the wrong place costing billions of dollars needed at home."

"Hiding in safe houses must cease, All Americans must become warriors for peace."

"There is a Republican plot to GLOBALIZE the work place. They want to push American working families back to the depression. Republican legislation is designed to: Undercut or eliminate overtime pay; Downgrade workplace safety standards; Create urban sweatshops; Freeze minimum wage at third world levels; Out-source jobs and promotion opportunities. These savage pressures will drive living standards down to the future."
